LEADERSHIP CONFERENCE + NETWORKING COCKTAIL

#1 - ENTERTAINMENT

Three high-level Alumni
share the ups and downs
of their inspiring careers in
entertainment

In partnership with:

6.00 pm

Demo Delair Labs

Discover Delair Front Wave Audio technology for movie theatres in Delair Hollywood flagship auditorium. The room is equipped with state-of-the-arts cinema technologies, including a 4k projector and the Front Wave Audio technology.

Delair is a French-American company that offers a patented technology called Front Wave Audio™ which emits front-channel sound from the front of a non-perforated projection screen.
