

Mars Leadership Experience

Mars Leadership Experience General Management Graduate Trainee Programme

The Mars Leadership Experience (MLE) is a perfect grounding for a career in business leadership. You'll manage projects, take on roles with local and international exposure, lead teams, make decisions with real consequences and much more. The challenges will come thick and fast and it will stretch you like never before.

A day in the life of a MLE graduate

Three years, three different roles within three different functions. From Sales to Supply Chain Management, from Manufacturing to Marketing - we believe in your potential to learn quickly, build strong relationships and drive our business forward.

Each placement is tailored to your personal development, you will gain an impressive level of experience to fast track your leadership career.
